

They Smoke A Lot

Maria Mena

You smoke a lot
Down that hill is a where you're dropped
And your mama's saying "no, no, no, no, no, no"
And your daddy's saying "no, no, no, no, no, no"
You're in trouble, you're in trouble this time, this time

They smoke a lot
Catch their disease, that's what you've got
And your teacher's saying "no, no, no, no, no, no"
And your grandma's saying "no, no, no, no, no, no"
You're in trouble, you're in trouble this time, this time

But it feels soothing
But you're not moving 'cause you're dead, so dead
