Brand New Key

Maria Muldaur

I rode my bicycle past your window last night I roller skated to your door at day light It almost seems like you're avoiding me I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates I think that we should get together and try them out, you see I been looking around awhile, you got something for me Oh, I got a brand new pair of roller skates You got a brand new key

I ride my bike, I roller skate, don't drive no car Don't go too fast, but I go pretty far For somebody who don't drive I been all round the world Some people think I done all right for a girl

Well, I got a brand new pair of roller skates You got a brand new key I think that we should get together and try them out, you see I been looking around awhile, you got something for me Oh, I got a brand new pair of roller skates You got a brand new key

I asked your mother if you were at home She said "Yes" but you weren't alone Well, sometimes I think that you're avoiding me I'm okay alone, but you got something I need

Well, I got a brand new pair of roller skates You got a brand new key I think that we should get together and try them out, you see I been looking around awhile, you got something for me Oh, I got a brand new pair of roller skates You got a brand new key Oh, I got a brand new pair of roller skates You got a brand new key Oh, I got a brand new key
