

Just Once

Maria Taylor

Unconscious bleeding
A countless reeling
Talk comes easy with confidence
Can taste the season
Of easy loving
When there's no reason to celebrate
We caught it spinning
The evil's winning
Walking strong and seize the day
Our thoughts are blurring
The drinks we sharing
I'll never drown in the grab

'Cause it was just one night
It was on the first sight
And I can't get it out of my mind

This car has CD
It makes me greedy
Forgettings easy with eloquence
The talk is fluent
The truth is ruined
And jukebox sings my sentiment
The car is moving
The night is proving
A tricky way to medicate
It caught me scheming
I was believing
I'd never drown in the grab

'Cause it was just one night
It was on the first sight
And I can't get it out of my mind

'Cause it was just one night
In the red light
And I can't get it out of my mind

And take advise
See it back in the night
Or just right now

'Cause it was just one night
It was on the first sight
And I can't get it out of my mind

'Cause it was just one night
In the red light
And I can't get it out of my mind
