

A No No

Mariah Carey

I ain't even mad
No not like before
Off with your head
Now slither out the door
Snakes in the grass
It's time to cut the lawn
Ed Scissorhands
A.K.A. I cut you off

(No)
You ain't gonna lie to my face no mo'
Hit me with 'I'm sorry' but I'm sorry
(No)
Na-na-na-na-na-na-na-na-na-na
(No)
Get me and Shapiro on the phone
Case closed

You shoulda known that it's bigger than you
You'll never know what I already knew
After everything I already been through
I can't waste no time, pay no 'tention to you

I said no
No no no, a no no
No no, that's a no no
No no, I said no no
No no

You came so close
You just don't know
Irregardless of what transpired
It ain't even worthy of a slick reply
Even if I was the last woman alive
I would be like Ginger, you ain't Gilligan isle
Really don't care, I'm in love with the Aiden
Rockin' Dior, 'cause it goes with my diamonds
Got a pink gown, custom by Alaia
I'll be on stage when the stadium light up

You shoulda known that it's bigger than you
You'll never know what I already knew
After everything I already been through
I can't waste no time, pay no 'tention to you

I said no
No no no, a no no
No no, that's a no no
No no, I said no no
No no, no

I said no (I said no)
No no no, a no no
No no, that's a no no
No no, I said no no
No no, no

He's a slut, he's a hoe, he's a freak
Got a different girl every day of the week
(Check it)
He's a slut, he's a hoe, he's a freak
Got a different girl every day of the week
(Check it)
He's a slut, he's a hoe, he's a freak
Got a different girl every day of the week
(Check it)
He's a slut, he's a hoe, he's a freak
Got a different girl every day of the week
(Check it)

I said no (I said no)
No no no, a no no (Look)
I said no (No no no, a no no)
No no, no
(No)
(No no no)
(No no no)
(No no no)
(No, I said no)
(No no no)
Parlez-vous francais? I said no
Lemme translate it, I said no
I can say it en español
No
(No, no no no)
Portuguese? Boy you know
Japanese? Boy you know
(I said no)
(I said it)
(I said no)
I said no

I think, I think that was it
Yep
