

# After Tonight

Mariah Carey

I look at you looking at me  
Feels like a feeling meant to be  
And as your body moves with mine  
It's like I'm lifted out of time

And time again  
Patiently I've waited  
For this moment to arrive

After tonight  
Will you remember  
How sweet and tenderly  
You reached for me  
And pulled me closer  
After you go  
Will you return to love me  
After tonight begins to fade

I feel your touch caressing me  
This feeling's all I'll ever need  
With every kiss from your sweet lips  
It's like I'm drifting out of time

Alone will tell  
If you feel the way I feel  
When I look in your eyes

After tonight  
Will you remember  
How sweet and tenderly  
You reached for me  
And pulled-me closer  
After you go  
Will you return to love me  
After the night becomes the day

Time  
And time and time again  
So patiently I've waited  
For this moment to arrive

After tonight  
Will you remember  
How sweet and tenderly  
You reached for me  
And pulled me closer  
After you go  
Baby will you return to love me  
After the night becomes the day  
After tonight begins to fade
