And You Don't Remember

Mariah Carey

Mah baby Hev Hm Shattered dreams Cut through my mind Tragically our love has died Memories confine my head Bitterly I face the end Trustingly I gave myself to you I let you inside Believing your lies And you don't remember Every time you told me You were mine for ever For eternity Uhhuh And you don't remember How you used to hold me How we'd melt together How you needed me How we used to be In love Stranded here In notingness With only tears And lonliness Foolishly I gave my soul to you I let you inside Believing your lies And you don't remember Every time you told me You were mine for ever For eternity Uhhuh And you don't remember How you used to hold me How we'd melt together How you needed me How we used to be In love Helplessly I fell so deep I was so naive To let you in Why did I let you in To my heart

(And you don't remember)

No (Anything you told me) Anything that you told me (You were mine forever) You were mine forever For eternity Yes you will And you don't remember (And you don't remember) How you used to hold me How we'd melt together Together How you needed me How we used to be In love Hoooa
