

# Angel

**Mariah Carey**

I shouldn't have walked away  
I would've stayed if you'd say  
We could've made everything okay

But we just threw the blame back and forth  
We treated love like a sport  
The final blow hit so low  
I'm still on the ground

I couldn't have prepared myself for this fall  
Shattered in pieces, curled on the floor  
Super natural love conquers all  
Remember we used to touch the sky

And lighting don't strike the same place twice  
When you and I said goodbye I felt the angels cry  
True love's a gift but we let it drift in a storm  
Every night I feel the angels cry

C'mon babe, can't our love be revived?  
Bring it back and we gon' make it right  
I'm on the edge, just tryin' to survive  
As the angels cry

Limitless omnipresent, kind of love couldn't have guessed  
It would just stop and disappear in the whirlwind  
Here I am walkin' on this narrow rope wobbling  
But won't let go, waitin' for a glimpse of the sun's glow

I know I can stand, just pull me back up  
But there ain't no hurricane, it's just us  
I'm willing to live and die for our love  
Baby, we can get back that shine

'Cause lighting don't strike the same place twice  
When you and I said goodbye I felt the angels cry  
'Cause true love's a gift, but we let it drift in a storm  
Every night I feel the angels cry

C'mon babe, can't our love be revived?  
Bring it back and we gon' make it right  
I'm on the edge, just tryin' to survive  
As the angels cry

Baby, I'm missin' you, don't allow love to lose  
We gotta ride it through, I'm reaching for you  
Baby, I'm missin' you, don't allow love to lose  
We gotta ride it through, I'm reaching for you

Lighting don't strike the same place twice  
When you and I said goodbye I felt the angels cry  
True love's a gift, we let it slip in a storm  
Every night I feel the angels cry, the angels cry

Oh baby, don't let the angels cry
