## **Anytime You Need A Friend**

## **Mariah Carey**

If you're lonely
And need a friend

And troubles seem like They never end

Just remember to keep the faith
And love will be there to light the way

Anytime you need a friend I will be here

You'll never be alone again So don't you fear

Even if you're miles away
I'm by your side

So don't you ever be lonely Love will make it alright

When the shadows are closing in And your spirit diminishing

Just remember you're not alone
And love will be there to guide you home

Anytime you need a friend I will be here

You'll never be alone again So don't you fear

Even if you're miles away
I'm by your side

So don't you ever be lonely Love will make it alright

If you just believe in me I will love you endlessly

Take my hand
Take me into your heart

I'll be there forever baby
I won't let go
I'll never let go

Anytime you need a friend I will be here

You'll never be alone again So don't you fear

Even if you're miles away
I'm by your side

So don't you ever be lonely It's alright

Anytime you need a friend I will be here

You'll never be alone again So don't you fear

Even if you're miles away
I'm by your side

So don't you ever be lonely Love will make it alright
