

# Bliss

Mariah Carey

Touch me baby  
It feels so amazing  
And you stimulate me  
And you make me want you  
More and more

What do I do  
What do I say  
Does it feel good  
To you this way  
I wanna be  
All that you need  
Boy what's your fantasy?  
Better hold on, ready or not  
Baby my love ain't gonna stop  
Take it down low  
Make me get high

Ooh my love goes  
On and on and on and on and on  
My love goes  
On and on and on and on and on  
On and on and on and on and on  
See, all my love's for you

Baby don't you rush me, no  
You got to take it slow  
Juts ket the feeling grow  
Until it overflows  
Anyway you want it now  
Just gotta tell me how  
To give you everything  
You've even dared to dream

Isn't it bliss  
To you right now  
Don't be subdued  
Say it out loud  
Ain't it a sweet  
Luscious delight  
When you're immersed in my  
Ocean of love

Coming on strong  
Baby I've been waiting so long  
Revel inside of paradise

Ooh my love goes  
On and on and on and on and on  
My love goes  
On and on and on and on and on  
On and on and on and on and on  
See, all my love's for you

So  
Gimme some pure delectable love  
Like I'm gonna give to you

Keep coming around  
'Cause I won't run out  
I can't get enough of you  
My love goes on

Ooh my love goes  
On and on and on and on and on  
My love goes  
On and on and on and on and on  
On and on and on and on and on  
See, all my love's for you

All my love's for you
