

Crybaby

Mariah Carey

Yo
What's happenin'?
What you're cryin' for?
You know you look too damn good to be cryin'
Come here

Do do do do do yeah yeah)
How about a player
DPG style
You know
You know

When I think of our untimely end
And everything we could have been
I cry, baby I cry

Ok
So it's five AM and
I still can't sleep
Took some medicine
But it's not working
Someone's clinging to me
And it's bittersweet
Cause he's head over heels
But it ain't that deep
I finally changed my number
Got a different pager
Then last Saturday
Your cousin called to say you're
Tryin' to reach me
Probably because you see that
I'm with someone new

Late at night like a little child
Wandering 'round alone
In my new friend's home
On my tippy toes
So that he won't know
(So that he won't know)
I still cry baby
(I cry baby)
Over you and me

Sipping Bailey's Cream
By the stereo
Trying to find relief
On the radio
I'm suppressing the tears
But they start to flow
Cause the next song I hear
Is a song I wrote
When we first got together
Early that September
I can't bear to listen
So I might as well drift
In the kitchen
Pour another glass or two

And I try to forget you
(You)

Late at night like a little child
Wandering 'round alone
In my new friend's home
(In my new friend's home on my)
On my tippy toes
So that he won't know
(So that he won't know I)
I still cry baby
Over you and me
(You and me)

Baby hear me when I say
Let that man be on his way
Don't even waste your time
And worry how he handle thangz
(That ain't right) baby hear me when I say
A playa feelin' good today (you know your too fly to be cryin')
Don't even waste your time watch how I handle (watch) thangz
Man you're a fool for this

For this)
But on the real dog I'm cool with this we do and this

D-O-DOUBLE G-Y
Kiss the girls and make them cry!

(It's late)
Late at night like a little child
(I'm like a little child)
Wandering around alone
(Wandering around alone)
In my new friend's home
(Do do do do do)
On my tippy toes
(Tippy toes)
So that he won't know
(So that he won't know)
I still cry baby
(I was babbling)
Over you and me
(Over you and me)

Why is it five AM and
I'm still struggling and
Walking 'round no
Do do do do do do do

(On my tippy toes)
On my tippy toes
So that he won't know
I still cry baby
(I still cry)
Over you and me

I don't get no sleep
I'm half awake
Can't stop thinking of you and me
And everything we used to be
It could have been so perfectly

I cry
I cry
I cry
Oh
I gotta give me some sleep
Cry
Cry
Cry
Cry
Baby and I
Cry
On my tippy toes
So that he won't know
I still cry
You and I
Over you and me

Late at night like a little child
(Oh like a little child)
Wandering 'round alone
In my new friend's home
(Do do do do do)
(In my new friend's home)
On my tippy toes
So that he won't know
(So that he won't know)
I still cry
(Do do do do do)
(Do do do do do)
(Do do do do do)
(Do do do do do)
(Do do do do do)

I
Cry
Cry
Cry
Cry

Late at night like a little child
Wandering around alone
In my new friend's home
On my tippy toes
So that he won't know
I still cry baby
Over you and me

Do do do do do
Do do do do do
Do do do do do
Do do do do do
Cry baby
On my tippy toes
So that he won't know
I still cry
Mmmh
Baby and I
