

# I'll Be Lovin' U Long Time

Mariah Carey

I'll be lovin u long time  
I'll be lovin'  
I'll be lovin'  
I'll be lovin  
I'll be lovin  
I'll be lovin  
I'll be lovin  
I'll be lovin u [2x]

You ain't even gotta worry  
About a thing I gotcha babe  
And ain't nobody takin' me away  
It's not a game I'm here to stay  
Our love is stronger than any drug  
Addictive just can't get enough  
And everytime I'm with you I want some more  
Just close the door  
And let's explore each other

Long as I know you got me  
I'll be loving u long time (as I can be)  
I'll be loving u long time (eternally)  
There's no stopping you and me  
I'll be loving u long time (as I can breathe)  
I'll be loving u long time (eternally)

Don't care what no one has to say  
They don't understand us like we do  
I need you near me night and day  
Together there ain't nothin' we can't do  
Scoop me up and we can go  
To that little spot where no one knows  
Spend a little time just us alone  
You can caress my body and never let go

Long as I know you got me  
I'll be loving u long time (as I can be)  
I'll be loving u long time (eternally)  
There's no stopping you and me  
I'll be loving u long time (as I can breathe)  
I'll be loving u long time (eternally)

I don't want another  
Ain't gon' never be another  
Can't nobody do what you do to me  
Don't want another  
Ain't gon' never be another  
Can't nobody do what you do to me  
Don't want another  
Ain't gon' never be another  
Can't nobody do what you do to me

I'll be loving u long time (as I can be)  
I'll be loving u long time (eternally)  
Long as I know you got me  
I'll be loving u long time (as I can be)  
I'll be loving u long time (eternally)

There's no stopping you and me  
I'll be loving u long time (as I can be)  
I'll be loving u long time

I'll be lovin'  
I'll be lovin  
I'll be lovin  
I'll be lovin  
I'll be lovin  
I'll be lovin u
