

# I Wish You Knew

Mariah Carey

I've got to see you  
Wherever you are  
And I've got to be there  
I'm wishing on stars  
I've got to reveal what's inside of my heart  
But the words escape me  
And I'm paralyzed  
So helpless when I  
Look into your eyes

And how I wish you only knew  
What I feel inside for you  
You probably haven't got a clue  
But I wish you knew  
How I love you baby

Honestly I know it's silly of me  
To want you so badly  
But keep it concealed  
See my inferiority complex kicks in  
And the words escape me  
And I'm paralyzed  
So helpless when I  
Look into your eyes

And how I wish you only knew  
What I feel inside for you  
You probably haven't got a clue  
But I wish you knew  
How I love you baby
