

Joy Ride

Mariah Carey

Our love goes round, our love goes round
Our love goes round and round
(On a joy ride, on a joy ride)
With ya babe, with ya babe
With ya babe, with ya baby

Baby baby, don't you ever let go
More and more until we both overflow
Got a feelin' that my heart's never known
And I found love

Tender kisses and I'm floatin' on air
You can have me anytime, anywhere
When you need me, I will always be there
And I found love

And our love goes round and round
Way up high, a joy ride
We can touch the stars above
We found love

And our love was heaven sent
From the day we first met
We've got something they can't touch
We found love

Loving you is like a taste of heaven
Wanna gaze into your eyes forever
Run away and spend our lives together
And I found love

Baby baby, all it takes is one touch
And immediately I feel a rush
Baby boy, too much is never enough
And I found love

And our love goes round and round
Way up high, a joy ride
We can touch the stars above
We found love

And our love was heaven sent
From the day we first met
We got something they can't touch
We found love

I don't need anything, when you're here next to me
Nobody in this whole wide world
Could ever replace you in my eyes
We found paradise, forever you and I, yeah

Our love goes round, our love goes round
Our love goes round and round
(On a joy ride, on a joy ride)
With ya babe, with ya babe
With ya babe, with ya baby

And our love goes round and round
Way up high, a joy ride
We can touch the stars above
We found love

And our love was heaven sent
From the day we first met
We got something they can't touch
We found love

Baby, baby, baby, we found love
