Oh Santa!

Mariah Carey

Santa's gonna come and make him mine this Christmas Santa's gonna come and make him mine, mine Oh Santa Santa's gonna come and make him mine this Christmas Santa's gonna come and make him mine, mine Oh Santa Santa If you get this letter Won't you help me out I know you're kinda busy with your elves right now And I don't know how You do the things you do while I sleep on Christmas Eve But it's amazing And I bet that you could bring me back my baby Because every time I see Christmas lights I feel this burn inside And I just can't take it I saw them shopping last week And his new girl was so bleak And then I swore to myself Santa's gonna come and make him mine this Christmas night Oh oh oh Santa's gonna come and make you mine this Christmas Santa's gonna come and make you mine, oh oh oh Santa's gonna come and make you mine this Christmas night Oh Santa I heard that it's really gonna snow this year So I hope Rudolph and them all the eight reindeer Get you safely here So you can scoop him up And scoop him right down my chimney I've been really, really, really good this year So put on that red suit and make him appear Make this Christmas cheer Just ain't the same without my baby Come on oh Kris Kringle send me help They say it's unrealistic But I believe in you Saint Nick So grant this wish for me right quick Santa won't you come and make him mine this Christmas night Oh oh oh Santa's gonna come and make you mine this Christmas Santa's gonna come and make you mine, oh oh oh Santa's gonna come and make you mine this Christmas night Oh Santa! Oh Santa! Oh Santa! Santa's gonna come and make you mine this Christmas Santa's gonna come and make you mine, oh oh oh

Santa's gonna come and make you mine this Christmas night

Oh Santa!

Oh Santa Claus If you get this letter Please don't make me wait Cause all December I'll be counting down the days So hop on your sleigh I promise that I won't forget the milk and cookies

The trees all sparkly and gold But inside I feel so cold So soon as you leave the North Pole Santa won't you come and make him mine this Christmas

Santa's gonna come and make you mine oh oh oh oh oh oh this Christmas Santa's gonna come and make you mine oh oh oh Santa's gonna come and make you mine, mine
