

One and Only

Mariah Carey

I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground so, so lonely
I'm lookin' for my one and only

I'm riding home in pain again, baby
But that don't mean shit to you
You're currently engaged
In an intimate conversation
With a young groupie or two
They say "Players only love you
When they're playing games"
Still, I gave my heart to you
I should have stayed away
Like my friends all told me to

Every time I turn around
I find my heart in pieces on the ground so, so lonely
I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can't I find my one and only

See, I'm looking for a man that'll rub me slow
Make me sing real high
When he goes down low
But see, it ain't just a physical thing
He's gotta treat me affectionately
And I gotta know he won't betray my trust
Just like every other motherfucker does
Is this just an impossible dream, baby
Too elusive to pursue
It's been such a sad and windy road for me
Just searchin' for the truth

Every time I turn around
I find my heart in pieces on the ground so, so lonely
I'm lookin' for my one and only
Every time I turn around
I find my heart in pieces on the ground
Why can't I find my one and only

Now you know I roll a Beamer and a Benz
And I'm dishin' out N's
While you trippin' on a playa
Baller, havin' bitter conversations
While we're rollin' on 24's
And I know you got doubts
Why you listen to what people talk about
You ain't figured out why they call ya
The heavy steady hatin' cause
You rollin' on 24's
See how your money flows
You dress in designer clothes
From head to the toe
You ain't satisfied, well tell me
What you lookin' for

I'm lookin' for my one and only

Well, I'll be your one and only

If you give me a chance

I'll make the change for you, girl

I know I ain't been the most faithful

Nigga in the world

But let's stay together so we can shine like pearls

Spittin it to ya while I roll a shisha of fire

To kiss your lips, I desire

Twist and Mariah, together like a

Grip on the tire

I'm lookin' for my one and only

Well, come on Shorty, let me make it better

We can do whatever

While we're sittin' on suede and leather

Thinkin' through the city

While we rollin' lonely

Let's kick it in the Chi

I know I messed up with ya, I ain't gon' lie

I know you were feelin'

You really know your guy

But baby girl, I ain't mean to blow your high

Let me pick the pieces up

And put them back together cause I want to be with you

Don't want to leave you lonely

Ride with you like a homey, never, no phony

Shorty, can I be your one and only

Every time, oh mm

Every time I turn around

I find my heart in pieces on the ground so, so lonely

Why I'm looking for my one and only

Every time I turn around ah, ha ha ha ha

I find my heart in pieces on the ground

Why can't I find my one and only

Still lookin' for my one and only

Every time I turn around ah, ha ha ha ha

I find my heart in pieces on the ground so, so lonely

Yeah, I'm lookin' for my one and only

I'm lookin' for my one and only

Every time I turn around ah, ha ha ha ha

I find my heart in pieces on the ground

I'm lookin' for my one and only

Why can't I find my one and only, ah
