

One Sweet Day

Mariah Carey

Sorry I never told you
All I wanted to say
Now it's too late to hold you
Cause you've flown away
So far away

Never had I imagined
Living without your smile
Feeling and knowing you hear me
It keeps me alive
Alive

And I know you're shining down on me from heaven
Like so many friends we lost along the way
And I know eventually we'll be together
One sweet day

Darling I never showed you
Assumed you'd always be there
Took your presence for granted
But I always cared
And I miss the love we shared

And I know you're shining...

Although the sun will never shine the same
I'll always look to a brighter day

Lord I know when I lay me down to sleep
You will always listen as I pray

And I know you're shining... (2x)

Sorry I never told you
Together
All I wanted to say
