

# One Sweet Day

Mariah Carey

Sorry I never told you  
All I wanted to say  
Now it's too late to hold you  
Cause you've flown away  
So far away

Never had I imagined  
Living without your smile  
Feeling and knowing you hear me  
It keeps me alive  
Alive

And I know you're shining down on me from heaven  
Like so many friends we lost along the way  
And I know eventually we'll be together  
One sweet day

Darling I never showed you  
Assumed you'd always be there  
Took your presence for granted  
But I always cared  
And I miss the love we shared

And I know you're shining...

Although the sun will never shine the same  
I'll always look to a brighter day

Lord I know when I lay me down to sleep  
You will always listen as I pray

And I know you're shining... (2x)

Sorry I never told you  
Together  
All I wanted to say
