

# To Be Around You

Mariah Carey

Something that you do  
Hypnotizes me  
Sets my soul at ease  
Every time you're near me  
I'm in heaven baby

I don't know how you do it  
Never felt like this before  
I don't wanna lose it  
Give me all your love  
(More and more and more)

Something that you do  
Mesmerizes me  
Sets my body free  
Every time you touch me  
I'm in heaven baby

I don't know how you do it  
Never felt so sweet before  
I don't wanna lose it  
Give me all your love  
(More and more and more)

I just wanna be around you  
Tell me are you feeling the same  
I just wanna be around you  
Every minute of the day  
Oh I'm never gonna let you go

Every time you smile  
It captivates my mind  
And it lifts me to the sky  
Anytime you touch me  
I'm in heaven baby  
I don't now how you do it  
Never felt so sweet before  
I don't wanna lose it  
Give me all your love

I just wanna be around you  
Tell me are you feeling the same  
I just wanna be around you  
Every minute of the day  
Oh I'm never gonna let you go

I just want  
To be the only one you live for  
I just want  
To give you all my love  
(More and more and more)

I just wanna be around you  
Tell me are you feeling the same  
I just wanna be around you  
Every minute of the day  
Oh I'm never gonna let you go
