

# Vanishing

Mariah Carey

If I could recapture  
All of the memories  
And bring them to life  
Surely I would  
Hear the distant laughter  
Wasn't it you and me  
Surviving the night  
You're fading out of my sight  
Swiftly

[Chorus]  
You're vanishing  
Drifting away  
You're vanishing

I was so enraptured  
No sensibility  
To open my eyes  
I misunderstood  
Now you're fading faster  
It's suddenly hard to see  
You're taking the light  
Letting the shadows inside  
Swiftly

[Chorus]

Reaching out into the distance  
Searching for spirits of the past  
Just a trace of your existence to grasp  
And if somehow I could recapture  
All of the memories  
And bring them to life  
Lord knows I would  
But now you're fading faster  
Getting so hard to see  
Taking the light  
Letting the darkness inside  
Swiftly

[Chorus]
