

# When Christmas Comes

Mariah Carey

The whole world  
Feels a little bit more love  
When Christmas comes  
When Christmas comes

And everywhere that you go  
People singing 'Let It Snow'  
And hanging up  
That mistletoe

And me and you gonna have ourselves  
A holiday  
And we don't need nobody else  
To celebrate  
And we're gon' kiss our worries  
And our cares away  
I can't wait

Because this Christmas time  
Get together  
It's gonna be so nice  
Better than ever  
And baby you're the one  
Special treasure  
I can't wait to unwrap your love  
Until Christmas comes

Oh baby

So many souls hurt  
So many don't have enough  
When Christmas comes  
When Christmas comes

But baby if you spread love  
Someday it might be enough  
To heal each other  
One by one

And we gon' get together  
And rejoice and pray  
And we gon' help the world  
Become a better place  
And we gon' sing and shout  
Because the savior reigns  
So don't dismay

Because this Christmas time  
Get together  
It's gonna be so nice  
Better than ever  
Because this gift of love  
Lasts forever  
The Lord makes our hearts open up  
Soon as Christmas comes

It's gon' be alright

When Christmas comes  
Oh jingle all the way  
Oh what fun, hmm

And we gon' reminisce about  
The good old days  
And we gon' laugh together as  
The children play  
And through the years is always  
Gonna be this way  
Come what may

Because this Christmas time  
Get together  
It's gonna be so nice  
Better than ever  
And baby you're the one  
That I treasure  
I can't wait to unwrap your love  
When Christmas comes
