

# When I Saw You

Mariah Carey

Soft heavenly eyes  
Gazed into me  
Transcending space and time  
And I was rendered still  
There were no words for me to find at all  
As I stood there beside myself  
I could see you and no one else

When I saw you  
When I saw you  
I could not breathe I fell so deep  
When I saw you when I saw you  
I'd never be I'd never be the same, no no, no

Only once in a lifetime  
Love rushes in changing you with the tide  
And dawn's ribbon of light burst through the dark  
Wakening you in time  
And I thought it was all untrue  
Until there all at once I knew

When I saw you  
When I saw you  
I could not breathe I fell so deep  
When I saw you when I saw you  
I'd never be I'd never be the same, no no, no
