Love wandered inside
Stronger than you
Stronger than I
And now that it has begun
We cannot turn back
We can only turn into one

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch you fall
Whenever you call

And I'm truly inspired Finding my soul There in your eyes And you Have opened my heart And lifted me inside By showing me yourself Undisquised

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch you fall
Whenever you call

And I will breathe for you each day Comfort you through all the pain Gently kiss your fears away You can turn to me and cry Always understand that I Give you all I am inside

I won't ever be too far away to feel you And I won't hesitate at all Whenever you call

I won't ever be too far away to feel you
And I won't hesitate at all
Whenever you call
And I'll always remember
The part of you so tender
I'll be the one to catch you fall
Whenever you call
