

# You Got Me

Mariah Carey

I get shy around you  
Don't know what to say  
I don't know what to do  
'Cause you do something to me  
That I can't describe baby

Always catch myself thinkin' 'bout  
The things you do  
There ain't no one else  
I got my heart set on you  
You really got me, baby it's true

You know you got me  
So in love  
You know you got me  
Daydreamin' 'bout us  
You know you got me  
Starry eyed and elated  
You know you got me  
Whenever you want me baby  
You know you got me  
Hypnotized  
You know you got me  
With you on my mind  
You know you got me  
Feeling intoxicated  
You know you got me  
Whenever you want me baby

Boy I'm entangled up in you  
These feelings I just can't elude  
'Cause you're so captivating  
That I inadvertantly

Always catch myself thinkin' 'bout  
The things you do  
There ain't no one else  
I got my heart set on you  
You really got me, baby it's true

You know you got me  
So in love  
You know you got me  
Daydreamin' 'bout us  
You know you got me  
Starry eyed and elated  
You know you got me  
Whenever you want me baby  
You know you got me  
Hypnotized  
You know you got me  
With you on my mind  
You know you got me  
Feeling intoxicated  
You know you got me  
Whenever you want me baby

Said I'm insecure when I'm around you  
Don't know what to say or do  
Catching feelings boy, in spite of myself  
I can't think of nobody else sugar  
You're the star of all my dreams  
I just want to be your everything  
Boy you know you really got me  
Baby yeah

You know you got me  
So in love  
You know you got me

You know you got me  
Whenever you want me baby  
You know you got me
