

# Your Girl

Mariah Carey

See, I used to be so shy  
Sit at home and fantasize  
(I should be your girl)  
But I ain't wastin' no more time  
Cause I've got to make you mine

I'm gonna make you want to  
Get with me tonight  
I'm gonna put those naughty  
Thoughts into your mind  
I'm gonna show you clearly  
I can rock your world  
You're gonna know for sure  
That I should be your girl

See I used to be afraid  
But now baby I can't wait  
I just gotta have your love  
And enough's enough's enough

I'm gonna make you want to  
Get with me tonight  
I'm gonna put those naughty  
Thoughts into your mind  
I'm gonna show you clearly  
I can rock your world  
You're gonna know for sure  
That I should be your girl
