

## End of an Era

## Marianas Trench

One last cue, from love true  
To final ado  
Hearts will break  
For future's sake  
But mine just won't take  
Can't love if you don't  
I can't try if you won't  
Oh I know, please let me go  
My dear, cause I'd stay near  
And lose my self here

Astoria I'm warning you  
I'm coming for you  
I'm coming for you  
Its do or die for you and I  
I'll never be taken alive  
Here's everything that led me here  
Our future's still remains unclear

I tie my fate to Astoria  
So get up and face me  
Astoria  
Come and face the music  
Astoria  
It's about fucking time that I  
Astoria  
I'm wasting away here  
Astoria  
Goodbye Astoria

I'm so afraid of trying something new  
Cause every start begins  
With saying goodbye to you  
Our heart divides an unrequited view  
But my heart is overdue

I feel so ashamed  
Wish this was easy  
I want you to know  
This never was the man I hoped to be  
By now  
(How did we survive)  
We went through hell in Astoria  
(How did we survive)  
We lost ourselves in Astoria  
(How did we survive)  
I gave in to sickness  
Can you find forgiveness  
For a dear old friend  
So Astoria can end

It's time Astoria  
It's time now Astoria  
I'm in over my head

(End of the line now Astoria)  
(Hope's taking it to Astoria)

This is our goodbye  
(Never say die in Astoria)  
This is our goodbye  
(Never say die in Astoria)

If we shadows have offended  
I hope your heart can still be mended  
I hope you know that I don't blame you  
My dear friend  
Always will  
Love you still  
But Astoria must end
