

# Masterpiece Theatre I

Marianas Trench

First it comes on quiet, creeping slow  
Clever words and phrases only stain  
I remain so lost and buried under everything that I need  
When all I want is you

I've been here so very long  
And every word is calculated  
Never questioned or debated  
All these practiced poses  
I could wreck it if i had to  
But I'm the wreck so what would that do?  
My masterpiece will fall apart  
It was over before the start

If I burn out and slip away  
But this is just a part I portray  
And this is just a part I portray  
You're beautiful, can I hide in you awhile?  
But this is just a part I portray  
And this is just a part I portray

They keep mostly to themselves  
Don't make a sound in case they hear you  
It only hurts me to be near you  
Keep those tired eyes closed  
Careful, follow my instruction  
And I will show you self-destruction  
This masterpiece is only mine  
Entirely guilty by design

If I burn out and slip away  
But this is just a part I portray  
And this is just a part I portray  
You're beautiful, can I hide in you awhile?  
But this is just a part I portray  
Can I hide in you awhile?

I just can't let it, let it out  
No I just can't let it out  
I just can't let it, let it out  
No I just can't let it out  
I just can't let it, let it out  
No I just can't let it out  
I just can't let it, let it out  
No I just can't let it out

But this is just a part I portray  
You're beautiful, can I hide in you awhile?  
You're beautiful  
If this is just a part I portray  
If this is just a part I portray  
I don't know how it got this way
