

Vertigo

Marianas Trench

(Heart beating, heart beat)

This might sting a bit ohhhh, oh
You got here just in time to see everything fall apart,
I'm not upset at all ohhhh, oh
but it's sad to see that everybody knows
that i've been down in here before,
And maybe I could want it more
I know I never tried to stop,
I never try

Shut your mouth and hey,
so what's one more excuse
guess I just like the abuse,
Dizzied up and I never try
Vertigo
They're calling out for blood,
Guess it's just understood
said we'd always try
long as I just don't do

Dissappointed, ohhhh, ohhhhh, oh
And no one thought that this would be me and my everything,
Is this pound of flesh enough, oh, ohhhh, oh
And I'll cut away until you say enough
And I've been done in here before
and maybe I could miss it more,
I know I never tried to stop,
I never try (never try)

So hey,
So what's one more excuse,
Guess I just like the abuse
Dizzied up and I never try
Vertigo
They're calling out for blood
Guess it's just understood
Said we'd always try
Long as I, just don't do

Do do do do do, Do do do do do, Do do do do do, Do do do doooo
Do do do do do, Do do do do do, Do do do do do, Do do do doooo

Heart beating
Heart beating
Heart beating
Heart beating
Heart beating
Heart beating

Hey,
So what's one more excuse,
Guess I just like the abuse,
Dizzied up and I never try
vertigo
They're calling out for blood,
Guess it's just understood,

Said we'd always try
long as I,

So what's a little Vertigo
(Tell you what you wanna know)
So what's a little Vertigo
(Tell you what you wanna know)
So what's a little Vertigo
(Tell you what you wanna know)
So what's a little Vertigo
(Tell you what you wanna know)
So what's a little Vertigo
