Down Town

Marianne Faithfull

When you're alone And life is making you lonely You can always go Down town When you've got worries All the noise and the hurry Seems to hurt, I know Down town Just listen to the music of the traffic in the city Linger on the sidewalks where the neon signs are pretty How can you lose? The lights are much brighter there You can forget all your troubles, forget all your cares And go down town Things will be great when you're Down town No finer place for sure Down town Everything's waiting for you Don't hang around And let your problems surround you There are movie shows Down town Maybe you know Some little places to go To where they never close Down town Just listen to the rhythm of the gentle bossa-nova You'll be dancing with them, too, before the night is over Happy again The lights are much brighter there You can forget all your troubles, forget all your cares And go down town Where all the lights are bright Down town Waiting for you tonight Down town You're gonna be all right now And you may find Somebody kind To help and understand you Someone who is just like you And needs a gentle hand To guide him along So maybe I'll see you there

We can forget all our troubles, forget all our cares

And go down town Things will be great when you're Down town Don't wait a minute more Down town Everything's waiting for you
