

Gee Baby

Marianne Faithfull

Ooh baby, you're so fine
I like to have you 'round me
Talk to me one time
Ooh baby, baby you're so fine
Gee baby, like to make you all mine

Ooh baby, say that I should stay
I like your lovin' any old old way
Ooh baby, baby you're so fine
Gee baby, like to make you all mine

Ooh baby, don't you love mre too?
I'd like to have a ring just to prove you do
Ooh baby, baby you're so fine
Gee baby, like to make you all mine
