Greensleeves

Marianne Faithfull

Alas my love you do me wrong To cast me off discourteously For i have loved you so long Delighting in your company.

Greensleeves was all my joy, Greensleeves was my delight. Greensleeves was my heart of gold And who but my lady Greensleeves ?

Alas my love that you should own A heart of wanton vanity
So i must laddie think alone
Upon your insincerity.

Greensleeves
