

# I Got You Babe

Marianne Faithfull

Ah, they say we're young and we don't know,  
We won't find out until we grow.  
Of course I don't know if all that's true  
'Cause you've got me, and baby I've got you.  
Babe,  
I've got you, babe,  
I've got you, babe.  
They say our love won't pay the rent,  
Before it's earned, our money's always spent.  
I guess that's so, we don't have a lot,  
But at least I'm sure of all the things we've got.  
Babe,  
I've got you, babe,  
I've got you, babe.  
I've got flowers in the spring,  
I've got you to wear my ring.  
And when I'm sad,  
Oh yeah!  
You're a clown  
I'm a clown!  
And if I get scared, you're always around.  
Don't let them say your hair's too long  
I don't care, with you I can't be wrong.  
Then put your little arms in mine,  
There ain't no river or mountain we can't climb.  
Babe,  
I've got you, babe,  
I've got you, babe.  
I've got you to walk with me,  
I've got you to talk with me.  
I've got you to hold my hand,  
I've got you to understand.  
I've got you to kiss goodnight,  
I've got you to hold me tight.  
I've got you and I, I won't let go,  
I've got you to love me so.  
I've got you, babe.  
I've got you, babe  
I've got you, babe  
I've got you, babe  
I've got you, babe  
I've got you, babe  
I've got you, babe.
