

# I Need Your Love Tonight

Marianne Rosenberg

Baby  
dreams are made of deep emotion  
  
can you mend a broken heart ?  
Baby  
love is shadow of devotion  
just right from the start.  
Baby  
baby  
can't you feel the fire ?  
Don't leave me like a broken toy.  
Love  
oh lover  
take my hearts desire  
you're my pain and joy.  
Oh  
I'm dancing now on heavy weather  
try a brand-new start

baby  
better let us try together  
take my heart.

I need your love tonight  
you are my biggest game

the way you hold me tight  
oh baby  
when do we touch again ?

We are daytime friends and nighttime lovers

oh  
I gave my heart to you

baby  
our love is under cover  
and tonight I'm feeling blue.  
Baby  
we are back to being strangers  
but my love is still alive

baby  
and I didn't see the danger  
feelings don't survive.  
Oh  
I'm dancing now on heavy weather  
try a brand-new start

baby  
better let us try together  
take my heart.

I need your love tonight  
you are my biggest game

the way you hold me tight

oh baby  
when do we touch again ?  
I need your love tonight  
you are my biggest game

the way you hold me tight  
oh baby  
when do we touch again ?  
Touch me again !
