

# Bring Me Love

Marié Digby

Dear Santa  
I wrote you a letter  
I wonder if you ever read it  
I've only one wish that I ask you  
It's the same old thing  
as every other year  
Ooo oooo Oooo

This year I can't say I've been perfect  
I'm pretty sure I've got a regret or two  
But Santa please don't hold it against me  
Cause this time I'm counting on you..

To bring me  
Bring me  
Love  
ohhh  
Santa, bring me  
Bring me love whoa  
Bring me love  
ohhh Ooooo  
Bring me love  
Ohhhh  
Ooooo

As a child I remember dreaming  
Of all the beautiful things that you can create  
But I can have all the toys in the world then  
You'd see it still wouldn't mean a thing

Can you  
Bring me  
Bring me  
Love  
ohhh  
Santa, bring me  
Bring me love whoa  
Bring me love  
Ohhh Ooooo  
Bring me love  
Ohhhh  
Ooooo

Cause I've been (I've been)  
Patient (patient)  
I've been (I've been)  
Waiting so long  
Hoping (hoping)  
Praying (praying)  
Just tell me that you heard me just this once

Can you bring me  
Bring me  
Love  
Ohhh  
Santa, bring me  
Bring me love whoa

Tell me the time has come  
That there is someone waiting for me too  
So Santa bring me  
Bring me love  
Whoa  
Bring me Love  
Ohh oooo  
Bring me love  
Oh oooo
