

# I Do

Marié Digby

When the music ends  
When the lights go deem  
When there's no one else around  
I will still be here

When the colors fade  
When the darkness breaks the light  
When hope is out of sight  
Love will be our guide

'Cause love is strong  
Love is never wrong  
Love is where we belong

I'll make this clear  
I will always be here  
I love you  
I do, I do...

So smile  
You have me for life  
I love you  
I do, I do...  
I do

Love will be our song  
We'll let this love be known  
Love is God's finest work of art  
Love will shine in the dark

If this feels colder  
We can start all over  
And over and over again

I'll make this clear  
I will always be here  
I love you  
I do, I do...

So smile  
You have me for life  
I love you  
I do, I do...  
I do

If you feel lost  
Let me remind you  
My love shines  
And I will always find you  
Have no fear  
Love is here, love is true, love is me, love is you

I do, do...  
I do, I do, I do

I'll make this clear  
I will always be here  
I love you

I do, I do...

So smile  
You have me for life  
I love you  
I do, I do...  
I do

I'll make this clear (I'll make this clear)  
I will always be here (I'll be right here)  
I love you  
I do, I do...

So smile (so smile)  
You have me for life (you have me for life)  
I love you  
I do, I do...  
I do
