```
You had my heart, and we'll never be a world apart
Maybe in magazines but you'll still be my star
But baby 'cause in the dark you will see shiny cars
And that's when you need me there
With you I'll always share because
When the sun shines we shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath, I'mma stick it out 'til the end
Now that it's raining more than ever know that we still have each other
You can stand under my umbrella
You can stand under my umbrella (ella ella eh eh eh)
The fancy things they're never coming in between
You're apart of my entity
Here for infinity
When the war has took its part
When the world has dealt it's cards
If the hand is hard
Together we'll mend your heart because
When the sun shines we shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath, I'mma stick it out 'til the end
Now that it's raining more than ever know that we still have each other
You can stand under my umbrella
You can stand under my
You can run into my arms
It's okay, don't be alarmed
Come into me
So gonna let the rain pour
I'll be all you need and more because
When the sun shines we shine together
Told you I'll be here forever
That I'll always be your friend
Took an oath, I'mma stick it out 'til the end
Now that it's raining more than ever know that we still have each other
You can stand under my umbrella
You can stand under my
It's raining (raining)
Ooh baby it's raining (raining)
Come into me
Come into me
It's raining (raining)
Ooh baby it's raining (raining)
Come into me
Come into me
(ella ella ella eh eh)
Under my umbrella (ella ella eh eh eh)
