

The Good Life

Marie Fredriksson

Oh, the good life
Full of fun, seems to be the ideal
Hmm, the good life
Lets you hide all the sadness you feel

You won't really fall in love
For you can't take the chance
Please be honest with yourself
Don't try to fake romance

Oh, it's the good life
To be free and explore the unknown
Oh, like the heartaches
When you learn, you must face them alone, alone

Please remember, I still want you
And in case you wonder why
Well, just wake up
Kiss the good life goodbye

Please remember, I still want you
And in case you wonder why
Well, just wake up
Kiss the good life goodbye
