

That's The Way My Heart Goes

Marie Serneholt

Dum di dum di dum dum di dei

Come a little closer
Yeah that's right
That is so electric
When you squeeze me tight
Oh the way you touch me
Makes me high
Down with you baby
Stay the night

Cover me
Come discover me
Only you can take me places where i can't hold back no

Dum di dum di dum dum di dei
That's the way that my heart goes
Dum di dum di dum dum di dei
You're the only one who knows

There you go boy this is my way
And I'm so in love it shows
Dum di dum di dum dum di dei
That's the way that my heart goes

Here's a little something to keep in mind
Tell your little secrets
And I'll tell you mine
Boy you really got me
Got me good
That I'll be a bad girl
Like i should

Give me all of you
And I'll follow you
Only you can take me places where I can't hold back no

Dum di dum di dum dum di dei
That's the way that my heart goes
Dum di dum di dum dum di dei
You're the only one who knows

There you go boy this is my way
And I'm so in love it shows
Dum di dum di dum dum di dei
That's the way that my heart goes

Do you really know the way to treat a girl
I'm spinning like a rock around your world
Together we are flying through the universe
It's true I'll do anything for you

Come on
Dum di dum di dum dum di dei
That's the way that my heart goes
Dum di dum di dum dum di dei
You're the only one who knows

There you go boy this is my way
And I'm so in love it shows
Dum di dum di dum dum di dei
That's the way that my heart goes
