

# The Boy I Used To Know

Marie Serneholt

We used to be so close  
Not one of those  
Shallow relationships  
That comes and goes

We were the best  
Not like the rest  
All my girlfriends used to tell me I was blessed

So tell me what happend  
Where did we... ha ha ha  
So tell me where did we go wrong

You used to touch me  
Give me that look  
Tell me those words  
That made me think that love was forever  
You used to kiss me  
Give it to me  
Never held back on the good stuff  
Tell me where, where did he go  
The boy I used to know

We used to be as one  
Second to none  
I thought the story of our lives  
Had just begun

You were so cool  
Nobody's fool  
I thought that you were the exception to the rule

You used to touch me  
Give me that look  
Tell me those words  
That made me think that love was forever  
You used to kiss me  
Give it to me  
Never held back on the good stuff  
Tell me where, where did he go...

The boy I used to know  
Got a tatoo with my name  
The boy I used to know  
I know he'll never be the same  
The boy I used to know  
I know that life goes on  
But where, where did he go...

Na na, na na na, na na na

(Boy) You used to touch me  
Give me that look  
Tell me those words  
That made me think that love was forever  
You used to kiss me  
Give it to me

Never held back on the good stuff  
Tell me where, where did he go  
The boy I used to know
