

# Separated Out

Marillion

Can you feel my skin?  
Can you feel my bones?  
Can you put my spine  
In plaster and take me home?

So unpleasant inside and out  
So unpleasant inside and out  
If you like I'll tell you about it  
You wouldn't want to know

My heads full of water  
Tears I never cried  
Could you hold me under the shower  
In the cold outside?

So unsteady inside and out  
So unsteady inside and out  
If you like I'll tell you about it  
You wouldn't want to be

Separated out  
Separated out  
Separated out

I need medical attention  
Where's my memory gone?  
Everything I told you including this  
I already forgot

Separated out  
From the living stream  
The thing that couldn't lie straight  
Straight in the machine

So unstable inside and out  
Don't know how much longer I'll take it  
If you like I'll sell you a ticket  
Or you can get in for free

Am I enough of a freak  
To be worth paying to see?  
Am I enough of a freak  
To be worth paying to see?

Can you feel my skin?  
Can you feel my bones?  
Can you put my spine  
In plaster and take me home?

Can you kiss my face?  
Let me know it's there  
Can you give it shape?  
Can you kinda care?

Am I enough of a freak  
To be worth paying to see?  
Enough of a freak

To be worth paying to see

Enough

Enough

They're pointing and laughing at me
