Antichrist Superstar

Marilyn Manson

You built me up with your wishing hell I didn't have to sell you You threw your money in the pissing well You do just what they tell you

Repent, that's what I'm talking about I shed the skin to feed the fake Repent, that's what I'm talking about Whose mistake am I anyway?

Cut the head off Grows back hard I am the Hydra Now you'll see your star

Prick your finger it is done The moon has now eclipsed the sun Angel has spread it's wings The time has come for bitter things

Prick your finger it is done The moon has now eclipsed the sun Angel has spread it's wings The time has come for bitter things

Repent, that's what he's talking about I shed the skin to feed the fake Repent, that's what he's talking about Whose mistake am I anyway?

Cut the head off Grows back hard I am the Hydra Now you'll see your star

Time has come it is quite clear Our Antichrist is almost here Time has come it is quite clear Our Antichrist is almost here Time has come it is quite clear Our Antichrist is almost here

Cut the head off Grows back hard I am the Hydra Now you'll see your star

When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you When you are suffering know that I have betrayed you
