

# JEŠUŠ CRIŠIŠ

Marilyn Manson

I write songs to fight and to fuck to  
If you wanna fight, then I'll fight you  
If you wanna fuck, I will fuck you  
Make up your mind or I'll make it up for you

The present is too fast  
Anticipation is killing us  
Cutting up rails  
Eating our own tales

Sucking up Snow White's powder  
White powder, Snow White powder  
High as a tower and ready to fall  
To the street like a Viper  
Like a Viper, like a Viper, like a Viper

I write songs to fight and to fuck to  
If you wanna fight, then I'll fight you  
If you wanna fuck, I will fuck you  
Make up your mind or I'll make it up for you

Sucking Snow White powder  
White powder, Snow White powder  
High as a tower  
Fall to the street like a Viper

I write songs to fight and to fuck to  
If you wanna fight, then I'll fight you  
If you wanna fuck, I will fuck you  
Make up your mind or I'll make it up for you  
Make up your mind or I'll make it up for you

I'm like a Jesus Crisis, Jesus Crisis  
And I made it up for you  
I'm like a Jesus Crisis, a Jesus Crisis  
And I made it up for you, made it up for you

Jesus Crisis  
Jesus Crisis  
Jesus Crisis  
Jesus Crisis

I'm the Jesus Crisis  
And I made it up for you

I write songs to fight and to fuck to  
If you wanna fight, then I'll fight you  
If you wanna fuck, I will fuck you  
Make up your mind or I'll make it up for you

I write songs to fight and to fuck to  
If you wanna fight, then I'll fight you  
If you wanna fuck, I will fuck you  
Make up your mind or I'll make it up for you

(Fight! Fuck!) Make it up for you  
(Fight! Fuck!) Make it up for you

(Fight! Fuck!) Make it up for you  
(Fight! Fuck!) Make it up for you
