

Mutilation Is the Most Sincere Form of Flattery

Marilyn Manson

Hey, there's no rules today
You steal instead of borrow
You take all the shapes that I make
Think that you think all the thoughts
That I thought you, don't you?

Mutilation's the most sincere form of flattery
If you wanna be me
Then stand in line like the rest
Now, do you know what I mean?

The young get less bolder
The legends get older but I stay the same
As long as you have less to say
Do you think that I wouldn't say this?
You know that I play this better than you

Fuck you, fuck you, fuck you too
Fuck you, fuck you, fuck you too
Do you really think that I wouldn't say this?
You know that I play this better than you

Rebels without applause
I sell my shadow to those who are standing in it
They think I would bitch about them
Thinking they are the shit
When they can't even step in it

The young get less bolder
The legends get older but I stay the same
As long as you have less to say
Do you think that I wouldn't say this?
You know that I play this better than you

Fuck you, fuck you, fuck you
Fuck you, fuck you too

The young get less bolder
The legends get older but I stay the same
As long as you have less to say
Do you think that I wouldn't say this?
You know that I play this better than you

Fuck you, fuck you, fuck you too

The young get less bolder
The legends get older but I stay the same
As long as you have less to say
Do you think that I wouldn't say this?
You know that I play this better than you

Fuck you, fuck you, fuck you too
Fuck you, fuck you, fuck you too
Do you really think that I wouldn't say this?
You know that I play this better than you
