

Froot

Marina & the Diamonds

I've seen seasons come and go
From winter sun to summer snow
This ain't my first time at the rodeo

Nature ain't a fruit machine
She's gotta keep her credits clean
Good things come to those who wait
But I ain't in a patient phase

It's summer time and I hang on the vine
They're gonna make me into sweet red wine
Hanging around like a fruit on a tree
Waiting to be picked, come on cut me free

Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Hanging like a fruit
Ready to be juiced
Juiced, juiced

Living la dolce vita
Life couldn't get much sweeter
Don't you give me a reason
That it's not the right season
Babe, I love you a lot
I'll give you all I've got
Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like froot

Baby, I am plump and ripe
I'm pinker than shepherd's delight
Sweet like honeysuckle late at night

Leave it too long I'll go rot
Like an apple you forgot
Birds and worms will come for me
The cycle of life is complete

I'm your carnal flower, I'm your bloody rose
Pick my petals off and make my heart explode
I'm your deadly nightshade, I'm your cherry tree
You're my one true love, I'm your destiny

Come on fill your cup up
Looking for some good luck
Good luck, good luck to you
Autumn, I'll be gone
Birds will sing their mourning song,
Song

Living la dolce vita
Life couldn't get much sweeter
Don't you give me a reason
That it's not the right season

Babe, I love you a lot
I'll give you all I've got
Yeah, you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like froot

Oh my body is ready
Yeah it's ready, yeah it's ready for your love
Oh my branches are heavy
Yeah they're heavy, yeah they're heavy

Living la dolce vita
Life couldn't get much sweeter
Don't you give me a reason
That it's not the right season
Babe, I love you a lot
I'll give you all I've got
Yeah you know that it's true
I've been saving all my summers for you
I've been saving all my summers for you
Like froot, like froot

Living la dolce vita
I'm in love
Living la dolce vita
I'm in love
I'm in love
