

# Hollywood (Gonzales Remix)

Marina & the Diamonds

American queen is the American dream

She is a Polish girl in America  
Tall, tanned, hot blonde called Anya  
I asked her, "Why would you want to be a Hollywood wife?"  
"Because I don't wanna end up living in a dive-on vine"  
Dive-on vine  
Air hostess is doing gossip magazine  
Crosswords and a fly to JFK  
Thirty-nine years old with a mile-high  
She's trying to stimulate her mind  
But it's slowly starting to decay  
I itch my skin to jump up and say,  
"Lady, I know why your thoughts turned gray"

Hollywood infected your brain, you wanted kissing in the rain  
Oh, oh, oh  
Living in a movie scene, puking American dreams  
Oh-oh-oh, oh-oh-oh  
I'm obsessed with the mess that's America (ooh)  
I'm obsessed with the mess that's America

I fight security making plays for me  
Soon as I touch down in old L.A.  
He said, "Oh my God! You look just like Shakira  
No no, you're Catherine Zeta"  
Actually, my name's Marina  
Your mind is just like mine  
All filled up with things benign  
You're looking for the golden light

Hollywood infected your brain, you wanted kissing in the rain  
Oh, oh, oh  
I've been living in a movie scene, puking American dreams  
Oh-oh-oh, oh-oh-oh  
I'm obsessed with the mess that's America (ooh)  
I'm obsessed with the mess that's America

American queen is the American dream
