## Marina & the Diamonds

American queen is the American dream  
American queen is the American dream

She is a Polish girl in America  
Tall, tanned, hot, blond, called Anya  
I asked her, "Why would you wanna be a Hollywood wife?"  
– "Because I don't wanna end up living in a dive on Vine, a dive on Vine."  
[Video Version: – "Because I don't wanna end up living in a dive on Vine."

You'd do anything for a dime  
You're looking for the golden lie.]

Air hostesses doing gossip magazine  
Crosswords on a flight to JFK  
Thirty nine years old  
With a mile high sheen  
Trying to stimulate a mind  
That is slowly starting to decay

I itch my skin, I jump up and say,  
"Lady, I know why your thoughts turn grey."

Hollywood infected your brain.  
You wanted kissing in the rain, oh, oh.  
Living in a movie scene  
Puking American dreams, oh, oh  
I'm obsessed with the mess that's America  
I'm obsessed with the mess that's America

A fat security making place for me  
Soon as I touch down in old L.A.  
He said, "Oh, my god, you look just like Shakira.  
No, no, you're Catherine Zeta."  
– "Actually, my name's Marina."

Your mind is just like mine–  
All filled up with things benign.  
You're looking for the golden lie.

Hollywood infected your brain.  
You wanted kissing in the rain, oh, oh.  
I've been living in a movie scene  
Puking American dreams, oh, oh  
I'm obsessed with the mess that's America  
I'm obsessed with the mess that's America

American dream is the American queen  
American queen is the American dream, is the American dream

Hollywood infected your brain.  
You wanted kissing in the rain, oh, oh.

Puking American dreams, oh, oh
