

# Living Dead

Marina & the Diamonds

Everyday I feel the same  
Stuck, and I can never change  
Sucked into a black balloon  
Spat into an empty room  
But was it really worth it?  
Did I really deserve it?  
It happens when you're hurting  
And cut me at the surface  
Of my heart  
Of my heart-heart-heart

I'm living dead, dead, dead, dead  
Only alive-live-live-live  
When I pretend-tend-tend-tend  
That I have died, died, died, died, died, died  
I haven't lived life  
I haven't lived love  
Just bird's eye view  
From the sky above  
I'm dead, dead, dead, dead  
I'm living dead, dead, dead, dead  
Dead

Got bubble wrap around my heart  
Waiting for my life to start  
But everyday it never comes  
Permanently at square one  
When it's late at night-ight  
I'm so dissatisfied-ied  
The weight of an empty life-life  
Will lessen in the moonlight  
In the light  
In the light-light-light

I'm living dead, dead, dead, dead  
Only alive-live-live-live  
When I pretend-tend-tend-tend  
That I have died, died, died, died, died, died  
I haven't lived life  
I haven't lived love  
Just bird's eye view  
From the sky above  
I'm dead, dead, dead, dead  
I'm living dead, dead, dead, dead  
Dead

I lay back in a glittering mist,  
And I, I think of all the men I, I could have kissed  
I haven't lived my life, I haven't lived love,  
It's just a bird's eye view from, from up above

I'm living dead, dead, dead, dead  
Only alive-live-live-live  
When I pretend-tend-tend-tend  
That I have died, died, died, died, died, died  
I haven't lived life  
I haven't lived love

Just bird's eye view  
From the sky above  
I'm dead, dead, dead, dead  
I'm living dead, dead, dead, dead  
Dead
