Teen Idle

Marina & the Diamonds

I wanna be a bottle blonde I don't know why but I feel conned I wanna be an idle teen I wish I hadn't been so clean

I wanna stay inside all day I want the world to go away I want blood, guts and chocolate cake I wanna be a real fake

Yeah, I wish I'd been a, wish I'd been a teen, teen idle Wish I'd been a prom queen fighting for the title Instead of being sixteen and burning up a bible Feeling super, super (super!) suicidal The wasted years, the wasted youth The pretty lies, the ugly truth And the day has come where I have died Only to find I've come alive

I wanna be a virgin pure A 21st century whore I want back my virginity So I can feel infinity

I wanna drink until I ache I wanna make a big mistake I want blood, guts and angel cake I'm gonna puke it anyway

Yeah, I wish I'd been a, wish I'd been a teen, teen idle Wish I'd been a prom queen fighting for the title Instead of being sixteen and burning up a bible Feeling super, super (super!) suicidal The wasted years, the wasted youth The pretty lies, the ugly truth And the day has come where I have died Only to find I've come alive Come alive, I've come alive

I wish I wasn't such a narcissist I wish I didn't really kiss The mirror when I'm on my own Oh, God! I'm gonna die alone Adolescence didn't make sense A little loss of innocence The ugly years of being a fool Ain't youth meant to be beautiful?

Yeah, I wish I'd been a, wish I'd been a teen, teen idle Wish I'd been a prom queen fighting for the title Instead of being sixteen and burning up a bible Feeling super, super (super!) suicidal The wasted years, the wasted youth The pretty lies, the ugly truth And the day has come where I have died Only to find I've come alive Only to find I've come alive Only to find I've come alive Come alive

```
Feeling super, super, super!
Feeling super, super, super!
Feeling super, super, super!
Come alive
```
