Valencia

Mario Lanza

Valencia, in my dreams it always seems I hear you softly call to me Valencia, where the orange trees forever Send the breeze beside the sea

Valencia, in my arms I hold your charms Beneath the blossoms high above You love me, in Valencia long ago We found our paradise of love

In a magic dream of memory I see you again In that old town far away beneath the skies of Spain That city of plenty romances, so shy were your glances And swiftly the sunshine that dances through the orange broad

Valencia, in my dreams it always seems I hear you softly call to me Valencia, where the orange trees forever Send the breeze beside the sea

Valencia, in my arms I hold your charms Beneath the blossoms high above You love me, in Valencia long ago We found our paradise of love
