

# I Bet

Mario Vazquez

Ohhh

Three times this same week you been askin' to come to my crib  
Girl you got a problem and I know what it is  
You done got a little taste of incredible that's got you out of pocketing and you don't know why  
And it should come as know surprise  
That I got something that blows your mind

I think it's the way that I move  
The things that I do  
That's a little different  
From the things that you did  
When your not here  
And that's why your trippin'  
I bet he don't

I bet he don't give you whatcha need  
I bet he don't give you watchu want  
Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby

So don't try to fight it  
You can't hide it from me, no  
What I said, tried to fix  
Everyday, you a hit  
You can't let it go cuz your love is so  
Now you say your not sprung and any day you'll be through  
That's why I got  
Five missed calls on my phone  
And they all come from you

I think it's the way that I move  
The things that I do  
And that's a little different  
From the things that you did  
When your not here  
And that's why your trippin'  
I bet he can't

I bet he don't give you whatcha need  
I bet he don't give you watchu want  
Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby

Let me say one thing  
I know to be true

That he don't understand your body  
Quite like I do  
And the feeling that you get is so ridiculous  
It's hard to quit  
Oh, I betcha he

I bet he don't give you whatcha need  
I bet he don't give you watchu want  
Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby  
I bet he don't give you whatcha need  
I bet he don't give you watchu want  
Said I bet, said I bet he don't do it like me  
That's why you always trying to be alone  
I bet he don't kiss ya right  
Don't miss you right  
Don't handle his like I handle mine  
I bet he can't do it like me  
No, no, no, no baby
