Ohhh

Three times this same week you been askin' to come to my crib Girl you got a problem and I know what it is You done got a little taste of incredible that's got you out of pocketing an d you don't know why And it should come as know surprise That I got something that blows your mind

I think it's the way that I move The things that I do That's a little different From the things that you did When your not here And that's why your trippin' I bet he don't

I bet he don't give you whatcha need
I bet he don't give you watchu want
Said I bet, said I bet he don't do it like me
That's why you always trying to be alone
I bet he don't kiss ya right
Don't miss you right
Don't handle his like I handle mine
I bet he can't do it like me
No, no, no, no baby

So don't try to fight it
You can't hide it from me, no
What I said, tried to fix
Everyday, you a hit
You can't let it go cuz your love is so
Now you say your not sprung and any day you'll be through
That's why I got
Five missed calls on my phone
And they all come from you

I think it's the way that I move The things that I do And that's a little different From the things that you did When your not here And that's why your trippin' I bet he can't

I bet he don't give you whatcha need
I bet he don't give you watchu want
Said I bet, said I bet he don't do it like me
That's why you always trying to be alone
I bet he don't kiss ya right
Don't miss you right
Don't handle his like I handle mine
I bet he can't do it like me
No, no, no, no baby

Let me say one thing I know to be true

That he don't understand your body Quite like I do And the feeling that you get is so ridiculous It's hard to quit Oh, I betcha he

I bet he don't give you whatcha need I bet he don't give you watchu want Said I bet, said I bet he don't do it like me That's why you always trying to be alone I bet he don't kiss ya right Don't miss you right Don't handle his like I handle mine I bet he can't do it like me No, no, no, no baby I bet he don't give you whatcha need I bet he don't give you watchu want Said I bet, said I bet he don't do it like me That's why you always trying to be alone I bet he don't kiss ya right Don't miss you right Don't handle his like I handle mine I bet he can't do it like me No, no, no, no baby
